Summary of Main Terms

PLEASE READ

This document is legally binding and sets out the Resident's, and (if applicable) the Responsible Party's, rights and obligations and those of us concerning your Residence. Those considering moving in or acting as a Responsible Party are advised to read it carefully before signing and may wish to take advice from a solicitor or an Independent Financial Advisor before doing so.

In particular, we recommend that those considering moving in and acting as the Responsible Party assess the significance of these implications on their financial situations and verify that they have adequate resources in place to enable them to enter into this Agreement, and to continue to meet the fees that would be due for at least 24 months.

The Residence is currently inspected by the CQC (in England) and the CIW (in Wales). Inspection reports are available on the internet using the CQC's website or the CIW's website or our website and are also available directly from us if you want a copy.

Our Fees

The table below outlines the charges applicable to you, depending on the type of residency:

Type of Residency	Fee	Services Included
Permanent Residency: A permanent residency is a residency where no departure date has been set and where this Agreement will terminate in accordance with clause 13: Termination.	Weekly Total Fee known as the Total Weekly Fee: £ Your fees are calculated on a per day basis, so you will be charged according to how many days there are in each calendar month.	Personal care, accommodation, food and drinks (including snacks), themed events and entertainment, housekeeping, laundry and ironing services, utilities and general maintenance, as well as clinical nursing care, as might be agreed with you as part of your resident review and assessment.
Respite Residency: A respite residency is a residency where a departure date is agreed in advance of move-in and is set out in Schedule 1.	Fixed 'Respite Fee': £ paid prior to move in	As above

The above fees do not cover all potential fees and costs that you may have to pay. For example, we charge separately for a number of additional goods and services, hairdressing services or visitor meals (please see Schedule 3 for an indicative list; a list of current services available and pricing will be available in the Residence).

You are not required to pay us any money before you sign this Agreement. If, for any reason, you do not move in, and you have paid money to us before doing so, we will refund it in full.

Schedule 1 contains the details of your admission and the details of the fees that we will charge you.

Fee Increases

We determine the fees payable based on your accommodation, care and nursing needs at the time we carry out the pre move-in resident review and assessment. If your care needs change during your time with us, or you need to change Rooms, we may charge you more or charge you less.

It is important to note that even if you stay in the same Room or your care needs do not change, your fees will be likely to increase to reflect general inflation and/or any increases we see coming in against our costs for running our business. We review our Fees annually, and any fee changes are applied from 1 January each year.

As a general rule, we will not increase our fees by more than 6.5 % per year. But if there are significant unpredictable cost increases, we reserve the right to supplement this increase by a fair and reasonable sum to reflect the impact of that change to our costs, and will give you 12 weeks' notice of any such proposed additional increase.

The Additional Services Fees are reviewed periodically. The most recent price list will be available in the Residence.

Estimated Fees over a Two Year Period

We recommend that those considering moving in or acting as a Responsible Party assess their financial situation and verify that they have adequate resources in place to enable them to enter into this agreement, and to continue to meet the fees that would be due for at least 24 months.

By way of illustration (only), please understand that if you reside with us for a 24 month period, your total fees will be in excess of £ . This does not take into account changes in your care needs, so the actual amount could be higher.

Periods Away from the Residence

During your time living with us you may be away for a period of time, whether due to health or for personal reasons.

For the first twenty eight (28) days you are away from the Residence, we will continue to charge you the full Total Weekly Fee. From the twenty ninth (29th) day you are away, until your return to the Residence, we will charge you the Total Weekly Fee, discounted by twenty (20) per cent. While you are away from the Residence, fees that fall due for payment must be continued to be settled in accordance with this Agreement.

Complaints

We have in place a written Complaints Procedure. Our General Manager will endeavour to resolve by discussion any complaint or dispute with you and, if you wish, you may seek the assistance of your Responsible Party or another representative. We will ensure, where possible, that any investigation is carried out by someone independent of the concerns being raised and will endeavour to provide a full response within fourteen (14) days.

Funding

Some of our residents become eligible to receive public funding during their stay with us. In some cases the funding will not cover all of our fees. We will work with you and the relevant funding authority to find a solution, which could include moving you to another Room (if that would address the shortfall), or a third party agreeing with us and the funding authority to make up the shortfall, by paying the difference to the relevant party. If a solution cannot be identified you may be required to move to another care home, which is willing to accept the funding available to cover all of its care and services.

Termination

Type of Termination	Procedure
Termination by You	Permanent Residency: You may terminate this Agreement by giving us not less than twenty eight (28) days written notice. Respite Residency: You may terminate this Agreement by giving us seven (7) days written notice (subject to a minimum period of residency of 14 days).
Termination by Us	We may, in certain circumstances detailed in the Agreement, terminate this Agreement by giving you twenty eight (28) days' notice in writing. We will consult with you and/or your Responsible Party prior to termination and will work with you to locate alternative accommodation in the event we terminate. However, we reserve the right to terminate the Agreement sooner if you pose an immediate danger.
Death in Residence	Outstanding fees are charged to your estate. The Total Weekly Fee will continue to be paid for up to seven (7) days after your death unless the Room is vacated before then (or longer, if we agree with your representative that they want longer to clear the Room).

8.2 Annual Fee Reviews

8.2.1 We will review the amount of the Total Weekly Fee annually, and any fee changes are applied from 1st January each year.

8.2.5 Care Services and Nursing Services will be formally reviewed on a six (6) monthly basis or sooner (where significant changes to your care and or nursing needs have been recorded) with you and your Responsible Party.

8.2.6 Following each such review, we will consider whether any change to the level or nature of the Care Services and/or Nursing Services is necessary using our comprehensive personalised care planning tool and our reasonable judgment (based on the advice of a medical practitioner, nurse or other clinical authority). Any such change to the Care Services and/or Nursing Services may lead to an increase or decrease in the Total Weekly Fee. To reflect care and/or nursing service being provided, fees will be amended promptly following a reassessment. We will issue a letter notifying you and your Responsible Party that such a fee increase or decrease will be applied from the date of the letter. If you object to the increase you will be invited to a family meeting to discuss

these changes.

8.2.7 Where an increase or decrease in the Total Weekly Fee arises from a change in the Care Services and/or Nursing Services provided to you, the increase or decrease shall be recorded as a variation in the form set out in Schedule 4.

8.2.8 If we are offered and receive from the NHS an exceptional FNC payment or payments above your assessed FNC which is to cover exceptional or additional nursing costs we have incurred (e.g. a payment arising in consequence of a pandemic such as COVID-19, or other exceptional occurrence or circumstance), no notification of such payment will be given to you and the Total Weekly Fee will remain the same.

8.3 Additional Services Fees

We will promptly issue a letter notifying you and your Responsible Party of this change with an invitation to a family meeting. You will be required to pay all such additional costs incurred.

8.4.3 In the event that we provide you with such one-on-one care you will pay to us all invoiced costs and charges we incur in providing you with such services. 8.8 Late Payment

8.8.1 You will pay interest on any sums payable to us and remaining unpaid twenty eight (28) days after the due date at the rate of 3% over the base rate from time to time of the Bank of England.

- 13.3.3 Where the Agreement is terminated, we will refund you any amounts pre-paid

for a period beyond the end of the notice period.

- 13.3.4 For the avoidance of doubt, once you have vacated the Room you will not be required to pay any fees beyond the notice periods set out in clause 13 (as applicable), other than in respect of the storage, removal and/or forwarding of any of your property and any outstanding fees due at the date of termination.

- 14.1 In the event of your death any fees outstanding will be charged to your estate.
- 14.2 Following your death, we will continue to charge you the Total Weekly Fee for seven (7) days after the date of your death, unless either:
 - 14.2.1 Your Responsible Party (or another representative) clears the Room for subsequent occupation in less than seven (7) days after the date of your death, in which case the Total Weekly Fee shall only be payable for those days in which your possessions remain in the Room following your death; or
 - 14.2.2 We agree in writing with your Responsible Party (or another representative) within seven (7) days after the date of your death to extend the period to clear the Room for subsequent occupation (the "Extended Period"), in which case the Total Weekly Fee shall continue to be paid to us until the end of the Extended Period (calculated on a daily basis). We reserve the right to refuse a request to extend the seven (7) day period if this is not reasonably practicable in the circumstances. We will not agree to extend the seven (7) day period for more than twenty eight (28) days after the date of your death.
- 14.3 If the Room is not cleared for subsequent occupation within (i) seven (7) days after the date of your death, or (ii) such other Extended Period as may be agreed with your Responsible Party, we have the right to clear the Room for subsequent occupation and store your possessions, and will charge for such removal, storage and/or forwarding of your property, in accordance with the price list published in the Residence. We will use our reasonable endeavours to use the lowest priced option available for such removal, storage and forwarding of any of your property. We shall not be liable for any damage or loss of such items (unless we have been negligent or have breached any duty we may owe to you (either arising under this Agreement or by virtue of any other duty imposed or implied by law)) provided that we inform your Responsible Party in advance and on reasonable notice.
- 14.4 Notwithstanding anything in this clause 14, if at the date of your death you are in receipt of CHC or SSP funding from a Funding Authority, we will not charge you or your Responsible Party fees after the date of your death.
- 14.5 In the event of your death this Agreement shall terminate on the day after the Room is cleared (either by your representative(s) or by us), save that you will continue to be bound by any obligations outstanding on the date of termination, such as the requirement to pay outstanding fees.

Schedule 5

Funding

- A. We are not responsible for giving you or the Responsible Party any advice about the availability of public funding, which could contribute towards payment for any services which you and the Responsible Party have contracted to receive under this Agreement.
- B. If you become eligible for public funding, please inform the General Manager as soon as possible.
- C. If, following the commencement of this Agreement, you are successful in obtaining public funding or third party funding for your accommodation and care that we already provide you, we are not obliged to accept any contract for the provision of such accommodation and care to replace this Agreement. You understand that obtaining such financial support for accommodation and care from a public body or third party may require us to move you to another Room or you to move to another care home.
- D. With the exception of any exceptional FNC payment or payments above your assessed FNC which is to cover exceptional or additional nursing costs we have incurred (e.g. a payment arising in consequence of a pandemic such as COVID-19, or other exceptional occurrence or circumstance), if we receive from the NHS any FNC due to you, we will either credit that sum of money to your account or refund it to you, as you wish.
- E. If at any time you are entitled to CHC from the NHS and we, in our absolute discretion, decide to enter into an agreement with that body for accommodation and care at the NHS service level, this Agreement will continue to have effect, save that your liability and the liability of the Responsible Party to pay Total Weekly Fee will be reduced only by the amount of any CHC received by us. If we agree to such an agreement, we will be entitled to charge you an additional agreed payment to reflect the enhanced quality and specification of care above the NHS service level, which we provide to self-funded residents. In the event that we are unable to agree the level of funding and any additional payment, we will assist you to find an alternative care home.
- F. If at any time you are entitled to SSP and we, in our absolute discretion, agree that we are prepared to provide accommodation and care for you upon the terms of an agreement with the Local Authority, this agreement will be terminated. It will be replaced by an agreement between us and the relevant Local Authority for your accommodation and care. All outstanding obligations under this agreement up to the date of such termination, or, where appropriate, after such date, will remain in force.
- G. If we agree to enter into an agreement with a Local Authority, we are entitled to make it a condition of our agreement that the Responsible Party or another suitable person (not including you) will contract with the Local Authority and with us to pay to that Local Authority or to us the difference between the Total Weekly Fee payable under this Agreement and the amount which that Local Authority would usually expect to pay for a Local Authority funded accommodation and care service (and subject to annual inflationary increase). All other terms of this agreement will remain in force.
- H. Any Additional Services requested by a resident while receiving public funding will be charged monthly directly to the third party for settlement in accordance with our standard payment terms.
